OFFICE OF LEGISLATIVE COUNSEL

Friday - 18 August 1967

25X1 1. [ ] Talked to Bernard Martin, Bureau of the Budget, concerning the Administration position on S. 1035. Martin said this is a tricky subject and not to count on a veto should it pass. He felt the best approach is to work for an acceptable bill in the House.

25X1 2. [ ] Met with Representative F. Edward Hebert (D., La.) and discussed with him at some length [ ] 25X1  
[ ] Mr. Hebert appreciated the advice and indicated that from all the information he had received, matters have proceeded very similarly in this activity.

25X1 3. [ ] In response to the request received from Mr. John R. Blandford, Chief Counsel, House Armed Services Committee, met with Mr. John T. Reddan, Special Investigation Subcommittee, and arranged for times for our security personnel to meet with him prior to Monday, Tuesday, Wednesday, and Thursday sessions of the Subcommittee. Also met with Mrs. Oneta Stockstill, Executive Secretary, and confirmed with her the arrangements that had been made.

25X1 4. [ ] Spoke briefly with Senator Thomas Dodd by telephone on the subject of the Ervin bill, S. 1035. I am to talk with him further next week. I received the impression from the conversation that the Senator had felt that the modified Agency amendment, which he had supported in Committee, would give us sufficient latitude to live with the bill. I told the Senator that we still had serious problems. 25X1
